

CERTIFICATION FOR EMERGENCY APPROPRIATION FROM
CHIEF FINANCIAL OFFICER

Purpose of emergency appropriation:
Removal of Underground Storage Tank Groundwater

On March 13, 2014, the Borough of High Bridge entered into a contract with Independence Constructors, Inc. for the removal of (2) 2500 gallon underground storage tanks. Removal was scheduled for October 23 in conjunction with the Borough Engineer and our insurance representatives. Once the tanks were uncovered, it was evident that the tanks could not be removed safely without first removing the excess groundwater surrounding them. Work proceeded and the tanks were removed successfully. The excess groundwater was pumped into a tank and properly disposed of.

Date of occurrence: October 23, 2014

Have any contracts been awarded or purchase orders been placed in connection with this emergency appropriation? A contract for the Underground Storage Tank Removal was awarded on March 13, 2014. A Purchase Order will need to be issued for the extra work performed on October 23, 2014.

Bonnie Ann Fleming
Chief Financial Officer

Date 11/20/14

Municipality: Borough of High Bridge
