

BOROUGH OF HIGH BRIDGE
GREEN AWARD

David Schweidenback

David Schweidenback is hereby the recipient of
The High Bridge Environmental Commission's eighth annual
Borough of High Bridge Green Award for 2014 in recognition of his continuing
dedication to promoting environmental preservation.

David Schweidenback was "Caught Being Green" by fellow residents who nominated him for this award for his ongoing environmental actions. David's Pedals For Progress organization founded in 1991 rescues bicycles destined for overburdened U.S. landfills and ships them to developing countries where they are sorely needed and highly valued. P4P bikes are put to work not only as basic transportation, but are used as a supplement to school and community programs.

The Environmental Commission recognizes that David has had the distinguished honor of being a twice invited delegate to the International Convention of Environmental Laureates in 2013 & 2014.

The Mayor and Council of the Borough of High Bridge, County of Hunterdon and State of New Jersey, sincerely appreciate his commitment to reducing the amount of trash we generate and to creating an awareness for environmentally sound transportation.
