Variance application and procedure

Variance Procedure

1. The Administrative Officer determines that a variance(s) is necessary.
2. The Applicant completes the necessary documentation contained in the application packet and furnishes the required fees and escrow for the variance to the Administrative Officer; an additional fee for \$10.00 is required for a certified list of property owners within 200 feet of the property. The application fee and the property owner's list fee can be combined on one check; the escrow must be a separate check. Both checks are payable to the Borough of High Bridge.
3. The Administrative Officer will compile a list of property owners within 200 feet of the property for which the application is made, and mail it to the Applicant. This list should be retained for future use. The instructions for noticing will be sent by the Planning/Board of Adjustment Clerk at a later date.
4. The Board has forty-five (45) days from the time the application is submitted to review it for completeness. If the application is not satisfactory, the Applicant will be notified in writing of the deficiencies. Once the deficiencies are addressed, the Applicant will resubmit the application. When the application is resubmitted, the Board has another forty-five (45) days to inspect it for missing items. When the application is deemed complete the Applicant is notified in writing, and the application is scheduled for a Public Hearing. The Planning/Board of Adjustment has one hundred and twenty (120) days from the time the Board deems the application complete to hear and render a decision. Depending on the backlog the Board may request an extension of time from the Applicant. The Clerk will send a packet of information containing instructions for noticing and the time, date and location of hearing.
5. If the Board approves the variance(s) and prior to proceeding with construction, the Applicant must obtain all necessary building permits.
