Instructions for Completing Form

1. Complete page 1 with general project information.
2. Review the exemptions eligible for municipal determinations (see page 2) to determine which may be applicable to the proposed project. Applicants need only qualify for **one** of the exemptions, although more than one may apply. Below each exemption is a list of information required to determine whether the exemption applies.
3. Sign the application form.
4. Submit completed application along with all supporting documentation to the municipal office at the address above.

Important Note

This application will be evaluated by the municipality to determine whether a proposed activity, improvement or development project involving lands within the Highlands Region is exempt from the provisions of the Highlands Water Protection and Planning Act (N.J.S.A. 13:20-1 et seq., "Highlands Act"). Any proposal that is exempt from the Highlands Act is also exempt from the Highlands Water Protection and Planning Act Rules ("Highlands Rules," N.J.A.C. 7:38-1 et seq.) and from any Highlands Area land use ordinance adopted by the municipality pursuant to approval of its Petition for Plan Conformance by the Highlands Water Protection and Planning Council ("Highlands Council"). The municipality has been authorized and certified by the Highlands Council to issue Highlands Exemption Determinations, pursuant to a July 19, 2012 Memorandum of Understanding (MOU) between the Highlands Council and the New Jersey Department of Environmental Protection (NJDEP). The local ordinance effectuating this delegation of authority is Ordinance #2013-15, "Borough of High Bridge Highlands Area Exemption Ordinance," adopted July 18, 2013, and effective July 25, 2013.

Please note that all references to professional preparers indicated in this application shall be construed to include any and all qualified individuals licensed, certified, or otherwise eligible and authorized to complete such work, in accordance with the applicable laws and legal requirements of the State of New Jersey including but not limited to the MLUL (N.J.S.A. 40:55D-1 et seq) and Title 13 of the New Jersey Administrative Code, Law and Public Safety.

Please note that this application only addresses whether or not your project is exempt from Highlands regulations (as listed above). Certification that a project is exempt from the Highlands Act does not relieve one from other regulatory requirements that may apply, including the need to apply for any other permits, whether under municipal, state or other jurisdictional authority. Please also note that in accordance with the MOU, Ordinance #2013-15 requires that the municipal Exemption Designee retain Highlands Council certification to exercise the authority to issue Municipal Exemption Determinations. In the event of personnel changes or other extenuating circumstances that leave the municipality without the services of a certified municipal Exemption Designee, applicants seeking a Highlands Act Exemption Determination may apply to the Highlands Council.
