Chapter 1 .OFFICERS AND EMPLOYEES

Article I. Defense and Indemnification

1.1.1 STATUTORY AUTHORITY.

Pursuant to N.J.5A 59:10-1 et seq., indemnification is provided for defense costs and payment of a judgment rendered against a municipal/state employee for actions or failures to act within the scope of his/her employment. Pursuant to N.J.SA 5:10-4, local public entities are empowered to indemnify local public employees and officials consistent with the provisions of the New Jersey Tort Claims Act.[1] The Borough Council deems it in the best interest of the Borough to indemnify Borough officials, officers and employees consistent with the New Jersey Tort Claims Act.

1.1.2. DEFINITIONS.

For the purpose of this article, unless the context clearly indicates a different meaning, the following words and phrases shall have the meanings set forth:

INSURANCE

Coverage afforded by insurance policies of any and every kind, whether the premium be paid by the Borough, the municipal official or someone on his behalf, including, without limitation, coverage provided by and through the Joint Insurance Fund (JIF) and/or the Municipal Excess Liability (MEL) Policies.

OFFICIAL OFFICER or EMPLOYEE

Any person, presently or in the future, elected or appointed to any public office, board or commission of the Borough of High Bridge, whether full- or part-time, whether or not compensated for the appointed or elected position. It shall not include officials, officers and employees who are appointed, elected or employed by the High Bridge Borough Municipal Utilities Authority nor the High Bridge Borough Board of Education. It shall include all other boards, commissions and authorities, which are subdivisions of municipal government. It shall also mean any person employed or retained by the Borough for any office, commission or board thereof, whether or not said person serves in a paid or unpaid capacity; provided, however, that these terms do not include independent contractors employed by the Borough.

1.1.3 INTENT AND PURPOSE.

It is the intent and purpose of this article to provide for the defense of actions against and the indemnification of public officials, officers and employees for civil actions as permitted by N.J.5A 59:10-1 et seq., as permitted by this article. This article shall be liberally construed to provide the fullest defense and indemnification allowed by law.

1.1.4 INDEMNIFICATION FOR CIVIL CLAIMS.

Whenever an official, officer or employee of the Borough of High Bridge is a named defendant in any civil action or civil legal proceeding arising out of or incidental to the performance of his or her duties as an official, officer or employee of the Borough, the Borough shall provide the official, officer or employee with the necessary and reasonable defense and shall hold such official, officer or employee harmless and indemnify him or her from the payment of any

settlement or judgment resulting from the proceedings, except as otherwise set forth in this article. The Borough shall indemnify officials, officers and employees from all civil claims, including defense costs, if and only if the person establishes that the act or omission upon which the claim or judgment was based occurred within the scope of his or her employment as an official, officer or employee of the Borough and the person establishes that he or she did not act or failed to act because of actual fraud, actual malice or willful conduct. The following sets forth situations in which the Borough shall not have a duty to defend or indemnify:

- A.** Where the action has been brought by the municipality, itself or any board, commission or authority established as a subdivision of municipal government against said official, officer or employee.
- B.** Where the official, officer or employee has been specifically found by a court or other competent tribunal in the proceedings to have acted with actual fraud, actual malice or willful misconduct or to have acted or failed to act within the scope of employment.
- C.** Where the official, officer or employee is found to have violated any of the provisions of the Borough's Code of Ethics or any code of ethics existing by and pursuant to the laws of the State of New Jersey.

1.1.5 CRIMINAL ACTIONS.

Wherever an official, officer or employee of the Borough of High Bridge is a defendant in any criminal action or legal proceeding arising out of or incidental to the performance of his or her duties and in the event that said action or legal proceeding is dismissed or finally determined in favor of the official, officer or employee, he or she shall be entitled to be reimbursed for the reasonable defense costs. This shall only include any criminal action instituted against an official, officer or employee based upon an act or omission of that official, officer or employee arising out of and directly related to the lawful exercise of his or her official duty or under color of his authority and that action is dismissed or results in a final disposition in favor of that official, officer or employee.

1.1.6 LIMITATIONS.

The provisions of a defense and indemnification, as set forth in the above sections of this article, shall justifiably be refused by the municipality if it is the determination of the governing body that:

- A.** The act or omission alleged was not within the scope of the person's employment or official duties;
- B.** The act or failure to act alleged was because of actual fraud, willful misconduct or actual malice or intentional wrongdoing;
- C.** There exists policies of insurance, either obtained by the Borough or by any other, by virtue of which the official, officer or employee is entitled to a defense of the action in question from any insurer, including coverage pursuant to the JIF or MEL;
- D.** It is not deemed appropriate by the Borough Council pursuant to N.J.5A 59:10-1 et seq.;
- E.** The public official, officer or employee has failed to cooperate fully with the defense provided by the municipality;
- F.** Where the legal proceeding involves questions concerning election laws;

- G.** The official, officer or employee fails to notify the Borough in a prompt manner and as soon as possible as to any action threatened against him or her; or
- H.** The suit or claims assert a right for punitive damages.

1.1.7 PROCEDURE FOR CLAIMS; METHOD OF PROVIDING DEFENSE.

- A.** The Borough may provide any defense required of it pursuant to the within article through an attorney from its own staff or by employing other counsel selected by the Borough. It shall be the Borough's sole option to select counsel, and, wherever permissible by law and/or canons of professional ethics controlling attorney's practice of law, the Borough may assume exclusive control of the representation of said official, officer or employee.
- B.** A municipal official, officer or employee shall not be entitled to indemnification or reimbursement pursuant to this article unless within 15 calendar days of the time he is served with a summons, complaint, process notice, demand or other pleading he delivered the original or a copy thereof to the Borough Clerk with a request to defend and indemnify. The municipal official, officer or employee shall be obligated to cooperate to the fullest extent possible with the Borough in the conduct of the defense. Wherever competent and disinterested legal counsel is available to the Borough through any insurance coverage, the municipal official, officer or employee shall be obligated to be represented by such counsel. If the Borough wishes to use the Borough Municipal Attorney or the attorney for any board or committee of the Borough to defend the claim, the municipal official, officer or employee shall be obligated to be represented by that attorney unless there is a conflict of interest. The refusal of the municipal official, officer or employee to cooperate with the Borough shall terminate the Borough's obligation to provide a defense and/or indemnity or to otherwise reimburse any municipal official, officer or employee.

1.1.8 APPROVAL OF SETTLEMENTS.

If the legal proceeding is terminated by an agreement among the parties, then the Borough shall not be obligated to reimburse the municipal official, officer or employee unless the Borough, by and through the governing body and/or by court order, approves the settlement agreement.

1.1.9 COUNSEL FEES AND COSTS OF LITIGATION.

Counsel fees to be paid to outside counsel, other than the Borough Attorney or the attorney for any board or commission, for services rendered in connection with a claim subject to this article, shall be reasonable and shall be established by the governing body through resolution prior to the retention of such counsel. The Borough may reimburse a municipal official, officer or employee for a portion of any expense incurred prior to the final decision in the legal proceeding at the Borough's sole discretion. The Borough shall be entitled to wait for a final determination before making a determination to reimburse defense costs and/or honor indemnity.

1.1.10. PRECEDENCE OF OTHER STATUTES.

To the extent that N.J.5A 40A:14-155 provides broader indemnification to members of the municipality's Police Department, that statute shall supersede the provisions of this article.

1.1.11. COUNTERCLAIMS OR AFFIRMATIVE CAUSES OF ACTION.

If the municipal official, officer or employee files a counteraction, counterclaim or asserts any affirmative claims in the legal proceeding, the municipality shall not be obligated to reimburse him for any attorneys' fees or costs attributed to said counteraction, counterclaim or affirmative cause of action.

1.1.12 COMMISSION OF CRIMES.

Nothing in this article shall authorize or require the Borough to pay for punitive or exemplary damages or damages resulting from the commission of a crime.

1.1.13. WHEN EFFECTIVE; EFFECT ON PRIOR ACTIONS.

This article shall take effect upon final passage and publication according to law, and it shall apply to any and all claims and suits filed or brought after the effective date of this article whether or not said claim or suit relates to conduct or omissions occurring before the effective date of this article.

- A.** If a particular Borough department supervisor, Borough Administrator or member of the governing body believes or suspects one of his or her employees is or may be impaired by virtue of the consumption of any performance inhibiting substance, the department supervisor, Borough Administrator or the governing body member may conduct such examination as may be reasonable to ascertain whether the employee's sensibilities are so impaired by the consumption of such performance inhibiting substances as to inhibit his or her performance in the workplace.
- B.** If it is determined by the department supervisor, Borough Administrator or governing body member that the employee is impaired by virtue of any performance inhibiting substance, the employee will be required to return home. Arrangements will then be made to send the employee home by contacting a family member or by making other arrangements for safe passage.

- A.** Use of cell phones and other devices while driving.
 - a. All employees are prohibited from using any cell phone or other device covered by this policy while driving a Borough-supplied vehicle, whether the business conducted is personal or Borough-related, and from using such a cell phone or other device supplied by the Borough while driving any vehicle. The prohibition against using a cell phone or other device in a Borough-supplied vehicle includes but is not limited to receiving or placing calls, text messaging, surfing the Internet, receiving or responding to e-mail, checking for phone messages, or any other purpose related to your employment, Borough business, our residents, our vendors, volunteer activities, meetings, or civic responsibilities performed for or

Therefore, you are required to stop your vehicle in a safe location so that you can safely use your cell phone or other device covered by this policy.
- c. Use of cell phones at work. High Bridge is aware that employees use their personal or Borough-supplied cell phones for business purposes. At the same time, cell phones are a distraction in the workplace. To ensure the effectiveness of meetings, employees are asked to leave cell phones at their desk or to turn them off before entering the meeting. Or, on the unusual occasion of an emergency or anticipated emergency that requires immediate attention, the cell phone may be carried to the meeting on vibrate mode.

B. Violations. Employees who violate this policy will be subject to disciplinary action, up to and including employment termination.

2.4.8 Telecommuting (“Work-From-Home”) Policy

A. Purpose

Telecommuting allows employees to work at home, on the road or in a satellite location for all or part of their workweek, as may be necessary. High Bridge Borough considers telecommuting to be a flexible work option when both the employee and the job are suited to such an arrangement. Telecommuting may be appropriate for some employees and jobs, but not for others. Telecommuting is not an entitlement, it is not a companywide benefit, and it in no way changes the terms and conditions of employment with High Bridge Borough.

B. Procedure

Working from home will be offered as a mutually agreed-upon accommodation between the employee and the Administration. Normal work hours must be maintained in order to accomplish necessary tasks, answer phone calls, respond to emails and report to a Supervisor upon request.

Any employee making a telecommuting request should file a request with the Borough Administrator, or designee at least one week in advance in the form attached hereto. The request will be reviewed by the Administration who will evaluate the suitability of such an arrangement, reviewing the following areas:

- Job responsibilities: The manager will discuss the job responsibilities and determine if the job is appropriate for a telecommuting arrangement.
- Equipment needs, workspace design considerations and scheduling issues: The manager will review the physical workspace needs and the appropriate location for the telework.

- Employee suitability: The manager will assess the needs and work habits of the employee, compared to traits customarily recognized as appropriate for successful telecommuters.
- Collaboration concerns: Whether collaboration with the employee’s team is necessary for completion of the pertinent work duties, and whether collaboration will be made difficult or impossible by telecommuting.

If working from home arrangement is approved, the employee will be expected to be accessible via phone and computer during the working hours and to respond promptly to all work-related inquiries. Employees are reminded that their activity on any High Bridge Borough-issued devices and email may be monitored for productivity.

Non-exempt employees should not be performing any work, including checking emails or responding to phone calls outside their regular working hours, without prior authorization.

Employees working from home are reminded that they must comply with all High Bridge policies including its non-discrimination and non- harassment policies as if working from High Bridge offices.

B. Retiree Health Coverage

- a. Effective December 16, 2021, the Borough amended its comprehensive benefits package to provide retiree health benefits coverage for its eligible employees who retire on or after that date.

- b. To be eligible for this coverage, the retiree must have been a full-time employee who was eligible for health insurance coverage until their retirement date. Upon their retirement, they must have completed at least twenty (20) years of service with the Borough of High Bridge and be eligible for a retirement benefit from a New Jersey State-administered retirement system immediately following termination of employment based upon their having been credited with at least 25 years of service in such retirement system.
- c. This retiree health coverage will also extend to a surviving spouse of the retiree, if covered at the time of retirement.
- d. This benefit may change from time to time as deemed appropriate, but coverage will not be decreased or eliminated without prior notice to the affected retiree.
- e. Further details concerning this benefit, including enrollment and details concerning the processing of claims, may be obtained from the Borough Administrator, or designee.

C. Consolidated Omnibus Budget Reconciliation Act (COBRA).

- a. Notification. The Consolidated Omnibus Budget Reconciliation Act (COBRA) requires that covered employees and dependents who would lose their group health coverage due to qualifying events be offered the opportunity to temporarily extend group coverage. The extension is at the group rate plus a two-percent administration fee. "Qualifying Events" under COBRA are:
 - i. Termination of employment (for reasons other than gross misconduct) or reduction of work hours.
 - ii. Divorce or legal separation.
 - iii. Employee death.
 - iv. Employee becoming entitled to Medicare benefits.
 - v. Dependent ceases to be a dependent child under the health care plan.

PERS and PFRS are contributory systems, whereby the employee and employer contribution is based on a rate established by the state. The employees' contribution will be automatically deducted from each paycheck.
- b. An explanatory booklet entitled "Public Employment in New Jersey" prepared by the New Jersey Division of Pensions is on file in the Borough Clerk's office for review.

E. Life insurance.

- a. Each full-time employee is covered by the death benefit policy provided by the Borough.
- b. In addition, PERS and PFRS require a contributory life insurance policy. Participation in this plan is mandatory during the first 12 months of

employment. Following the first 12 months, an employee may elect to terminate the contributory life insurance policy. The contributory premium is automatically deducted from each paycheck.

F. NJ Disability insurance/workers' compensation.

- a. Each Borough employee is covered by a disability plan for long- and short-term illness and injury, including pregnancy. Borough contributions fund these benefits. Should an employee become disabled, that employee would make application within seven days to the provider. Forms are available in the Borough Clerk's office.

- b. If the disability is due to a work-related injury, the employee is entitled to workers' compensation benefits. The amount of benefits payable and the duration of payment depend upon the nature of your injury or illness. The employee must report any such injury or illness to their supervisor or the Borough Clerk immediately, but not later than the close of business on the following workday. There are specific procedures to be followed, including which doctors are to be utilized. Application should be made through the Borough Clerk's office.

2.5.2 Paid Time Off

A. Purpose

The Borough of High Bridge recognizes the importance of supporting the activities of its employees to have time off from work in order to attend to personal matters. The purpose of PTO is providing employees with the flexibility to take paid time off from work that can be used for such activities of the employee's choice. PTO will consist of vacation, personal and sick time off for employees covered by this policy. Bereavement, Jury Duty, Holiday, Disability, and other non-specified leave will not be considered under PTO.

This amendment does not reflect the Borough of High Bridge's ongoing effort to comply with federal and state legislation as well as various executive orders passed in response to COVID-19. This includes Families First Coronavirus Response Act and self-quarantining after traveling to states with increasing number of COVID cases, or submitting to testing and returning to work if a negative result is obtained. Due to temporary and fast changing nature of these laws they will not be included in this Personnel Policy. The Borough of High Bridge is nonetheless committed to fully complying with those laws and orders. Any inquiry regarding your rights and entitlements under those laws should be directed to Bonnie Fleming, Borough of High Bridge Administrator.

B. Procedure

- 1) The benefit year for the Borough of High Bridge affected employees will commence on January 1st and conclude on December 31st. Unless otherwise specifically noted, the full complement of allotted time will be granted on 1st day of the benefit year to

each affected employee. Accrued PTO will commence the 1st day of the benefit year, earned and granted during each pay period for affected employees. C. PTO-Sick Leave

- 1) For PTO-sick leave that is foreseeable (can be planned in advance), notice must be provided of your anticipated use of the leave at least seven (7) days in advance.  - a. Full-time, salaried employees are granted five (5) days, which equates to forty (40) hours, of PTO-sick for “acceptable purposes” (as defined in subparagraph 2) each benefit year, which shall be front-loaded at the start of the year. Up to forty (40) hours of unused earned sick leave can be carried into the next benefit year. Alternatively, full-time salaried employees have the option of being paid out for up to five (5) days of PTO-sick per year, to the extent not used by the employee.  - b. Part-time, salaried employees are granted five (5) days of PTO-sick for acceptable purposes each benefit year, which shall be front-loaded at the start of the year. Newly hired part-time employees may begin to utilize accrued sick leave time 180 days after beginning their employment.

If the absence is due to an emergency, the employee or a member of the immediate family must inform the supervisor or the head of the department as soon as practicable; this should be followed up with a written leave request, normally submitted within three days of the beginning of the leave. All medical leave requests must be accompanied by appropriate medical certification from the employee's physician, indicating the condition necessitating the leave request and the projected date of return to work.
